Policy statement

- This policy applies to all members of our school community, including boarders and those in our EYFS setting.
- Embley is fully committed to ensuring that the application of this Attendance Policy is non-discriminatory in line with the UK Equality Act (2010). Further details are available in the school's Equal Opportunity Policy document.
- Embley seeks to implement this policy through adherence to the procedures set out in the rest of this document.
- This document is available to all interested parties on our website and on request from the Senior or Prep School offices and should be read in conjunction with the following documents:
 - Missing Pupil
 - Uncollected Pupil
 - Registration Procedures
 - Timetable for the school day
- This document is reviewed annually by José Picardo or as events or legislation change requires.
- The next scheduled date for review is August 2022.

Embley is committed to fulfilling its obligation to keep an attendance register of all day pupils of compulsory school age (5-16). However, for the welfare, health and safety and educational benefit of all pupils, Embley adheres to United Learning standards and registers pupils in all years, including boarders, Sixth Form pupils and those in our EYFS setting.

Embley is committed to ensuring that the attendance register is maintained in accordance with the Education (Pupil Registration) (England) Regulations 2006.

Embley requires regular attendance and the presence of pupils is checked daily at the start of morning lessons and in the afternoon. Teaching staff who take the registers must ensure they are filled in properly in accordance with the procedures in this document.

Registers are completed electronically using the attendance module of the school's database. All teachers can access registers of the current academic year. The Data Manager (Rachel Jenkins) has access to registers from previous academic years. They are fixed every month, with an updated version each time it is backed up. A separate electronic copy is retained on tapes. The attendance register is kept for at least three years.

Pupil absences are followed up promptly on the day of absence and parents are required to notify absences in accordance with the procedure set out below.

In the first instance following up and checking on attendance lies with the Receptionist in either the Prep School or the Senior School. Information will then be passed on to the Head of the Prep School and Assistant Head (Pastoral) in the Senior School as necessary.

Procedure

Absence

In the Prep School, the School Office, and in the Senior School, the Receptionist:

- Telephones daily (starting at 9:00am) the parents of all absent pupils, for whom no prior explanation for absence has been received and recorded
- amends the register for pupils who sign in late
- emails the list of pupils who are absent
- emails staff with responses from parents to explain pupils' absences

Signing in/out

All pupils who enter school outside registration or exit school must either sign in or out at Reception in the Senior School or in the Prep School office. Sixth Form - Deputy Heads Office. This is important for accurate fire registration. However, it does not authorise an absence or explain an absence. Where pupils have signed out for treatments or appointments, these absences must be explained by communication from the parent and then the register changed by the tutor or class teacher to explain the absence.

If Matron or office staff in the Prep School have contacted the parent to pick up a sick pupil, then on collection the pupil must sign out. Parents should report any subsequent absences. The Matron will inform, by email, the tutor/class teacher. The tutor or class teacher will amend the register accordingly.

Following up unexplained absences

Parents should either contact the School Receptionist before 8.30am, use the absence notification on MySchoolPortal, or email their son's/daughter's tutor/teacher on the general school email (info@hampshirecs.org.uk) to inform them of any absence or illness. **This should be repeated on every day of the absence**

The school requests that family holidays are not arranged during term time. If this is unavoidable, requests for authorised absences should be made in writing to the Headmaster in the Senior School or the Head of Prep School in the case of a Prep School pupil, well in advance of the date. Absence for personal reasons is sometimes unavoidable. In these circumstances, parents should write to the

Headmaster in the Senior School or the Head of Prep School in the case of a Prep school pupil, via the pupil's tutor or class teacher, requesting leave of absence in advance of the date.

It is important that registers are correct and absences are followed up for legal, fire and pupil safety reasons. Tutors and class teachers should follow up all unexplained absences.

It is the responsibility of the tutor, class teacher or Pastoral Team member to update his/her class/tutor register.

If an absence cannot be explained this must be reported to the Headmaster in the Senior School or the Head of Prep School.

The Headmaster or the Head of Prep School will report to Hampshire County Council Education Authority the following attendance issues:

- 10 continuous days' unauthorised absence (other than for reasons of sickness or leave of absence)
- Failure to attend regularly
- Deletion from the school register when the next school is not known (to be reported to the Education Authority in which the child resides)

The Student Visa Coordinator is responsible for reporting the attendance of Student Child Visa pupils to the UKVI via the Sponsor Management System with regards to the following attendance issues:

- After 10 points of consecutive unauthorised absence
- Failure to attend regularly
- Deletion from the school register when the school removes sponsorship.

A late return or early departure at a holiday time is not encouraged but will normally be considered as authorised as such absence must be requested and agreed by the Headmaster. Should the student leave early and/or return late continually, they will be reminded that regular attendance is a visa condition.

Maintenance of the Attendance Register Procedure

The IT network team is responsible for ensuring back-up procedures are followed.

- Registers are backed up on a daily basis.
- iSAMS is a cloud served application. All back-ups are taken care of by United Learning Central Office.
- iSAMS has a facility for the electronic register and any print out of the register, after a correction has been made, to distinguish clearly between the original entry and the correction. The name and title of any person making an amendment and the date the amendment is made is also recorded.
