

Academic performance statement 2020-2021

Embley aims to create an environment in which each individual student, whatever their ability, is encouraged to be academically ambitious and to perform up to and beyond their potential.

Embley uses a variety of internal and external assessments to inform teaching and learning. These assessments are intended to facilitate student progress and the evaluation of that progress against national norms. We are delighted to announce the following exam results for 2021:

Key Stage 1 and 2:

At Embley's Prep School pupils are assessed each term using Rising Stars Progress in Understanding Mathematics Assessment (PUMA) and Progress in Reading Assessment (PiRA). These termly assessments produce standardised results and age-related scores to enable us to track pupil progress term by term, predict future performance and benchmark against national averages. At Embley we also use CAT data (Y3 & 5) and teacher assessments alongside the more formal PUMA and PiRA together these assessments help us track and monitor progress and potential.

PUMA Data 2021-22 – Autumn:

Year	Average Standardised Score
1	100.5
2	96.75
3	108.95
4	108.4
5	104.74
6	101.6

PiRA Data 2021-22 – Autumn:

Year	Average Standardised Score
1	108.93
2	90.33
3	107.72
4	114.91
5	101.88
6	104.73

GCSE and A Level Results:

GCSE Results (%)	Embley	National
% 9-7 (A*-A equivalent)	60	28.5
% 9-4 (A*-C equivalent)	99	76.9

A Level Results (%)	Embley	National
% A* – A grades	56	44.3
% A* - C grades	99	88.2
% A* - E grades	100	99.5

A Level Leavers:

Of our 2021 leavers, 100% of pupils who applied to university have been placed in their first choice institution. Of these 40% have gone to Russell Group universities. Year 13 Embley students have gone to a prestigious group of universities, including Bristol, Exeter, Southampton, Lancaster, Cardiff, and York. They have gone on to read a wide variety of disciplines, including Dentistry, Law, Computer Science, Business Management, Pharmacology, Marine Biology, Politics, and English Literature. Alongside this, we have pupils heading over to America to study and another joining Pfizer's coveted degree apprenticeship.
